TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Greenfield in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Greenfield on Tuesday, the 13th day of March, next at 7:30 P. M. to act upon the following subjects:

Art. 1. To choose all necessary Town Officers for the year ensuing.

Art. 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Art. 3. To choose a Highway Agent for the ensuing year.

Art. 4. To hear reports of Selectmen, Highway Agent, Treasurer, Overseer of the Poor, Library Trustees, and other Town Officials, and take any action relative thereto.

Art. 5. To see what sum of money the Town will vote to raise and appropriate for repairs of highways and bridges, or take any action relative thereto.

Art. 6. To see what sum of money the Town will vote to raise and appropriate for snow removal, or take any action relative thereto.

Art. 7. To see what sum of money the Town will vote to raise and appropriate for support of Public Library, or take any action relative thereto.

Art. 8. To see what sum of money the Town will vote to raise and appropriate for Memorial Day, or take any action relative thereto.

Art. 9. To see if the Town will authorize the Selectmen to hire a sum of money to pay Town debts, or take any action relative thereto.

Art. 10. To see if the Town will vote to raise and appropriate the sum of $63.00 for the Monadnock Region Association or take any action relative thereto.

Art. 11. To see if the Town will vote to raise and appropriate the sum of $491.08 for class V roads. The State will contribute $3,273.84, or take any action relative thereto.

Art. 12. To see if the Town will vote to raise and appropriate the sum of $3,000.00 for care of Town poor, or take any action relative thereto.

Art. 13. To see if the Town will vote a discount of 2% on tax bills 30 days from date of tax bill, or take any action relative thereto.

Art. 14. To see if the Town will vote to raise and appropriate the sum of $2,000.00 for a tank truck and equipment, or take any action relative thereto.

Art. 15. To see if the Town will authorize and instruct the Selectmen to relocate a section of the existing highway known as the East road between a point approximately (500 feet) westerly of dwelling of Ralph T. Sayles and a point 1200 feet easterly of said dwelling house at no cost to the Town for such relocation, all in accordance with the statutes providing for the layout and relocation of such highways, or take any action relative thereto.

Art. 16. To see if the Town will vote to discontinue as a town highway that section of the East Road which is replaced by any relocation section constructed as a result of the action taken on the next previous article in this warrant, or take any action relative thereto.

Art. 17. To see if the Town will vote to have the State Tax Commission revalue real-estate in the Town of Greenfield, and appropriate money for expense of same, or take any action relative thereto.

Art. 18. Shall the provisions of chapter 171-A of the Revised Laws relative to playing games of beano be adopted in this town?

Art. 19. To transact any other business that can legally come before this meeting.

Given under our hands and seal, this 27th day of February, in the year of our Lord nineteen hundred and fifty one.

REPORT OF SCHOOL SUPERINTENDENT

To the School Board and Citizens of Greenfield:

I hereby respectfully submit my fourth annual report as your Superintendent of Schools.

Instruction

I am pleased to report that our school is continuing to make progress, and continuing to develop an educational program that is meeting the needs of the children of our town. This is being done under the very capable teaching of Mrs. Adams and Mrs. Window, assisted by our new music teacher and supervisor, Miss Ethelyn G. Edwards. The tool subjects of Reading, Writing, Arithmetic and Language Arts, are being stressed by all teachers. The approach to these areas of learning is being made as meaningful as possible to the child so that he not only is learning the "what" of his actions, but the "why."

School Lunch

Our health education program has been complemented by the establishment in our school of a Class "A" School Lunch Program. The children are having an opportunity to accept and discharge social responsibilities by acting as hostesses, waiters and waitresses, and developing good table manners and eating habits in a controlled situation. We are doing more than establishing a "feeding station" for our children. Our lunch program is being competently handled by Mrs. Paula Wurtz, who has made every effort to serve an appealing meal, as well as a wholesome one. The Greenfield Parent-Teachers' Association and others who contributed to the work in setting up our kitchen are to be complimented for their efforts in aiding the children of our school by providing such excellent facilities. It is greatly appreciated.

Health Supervision

Our health supervision is being very efficiently handled by Mrs. Ola Myhaver, School Nurse. Parents are informed when any irregularities exist and they have been most cooperative. Consequently, we are able to keep a constant check on the health of each child and to carefully control the general health of the total school and pre-school population. Certain communicable diseases are difficult to control once they do get started. Every effort is made to obtain professional advice to guide the actions of the school officials. For details of the work of the School Nurse, I refer you to the School Nurse's Report.

Playground Facilities

On behalf of the Greenfield School Board, the teachers, and the pupils, I wish to thank the Greenfield Woman's Club for the new wave slide which they purchased for the children's playground. The pupils have derived much pleasure from it. Several

new swings have also been added, replacing those that have been there for many years.

Our play activities are necessarily limited as a result of the small and uneven area in which the children must play. If possible, it would be very desirable to expand our playground by purchasing land in the rear of the building and applying fill where needed to level off certain low places. This might be worthy of consideration by the School District or some interested group.

Improvement To Grounds

The most marked improvement made this year, in addition to the lunchroom, is the installation of a chain link fence enclosing the school grounds. We are now able to confine the play activities of our young people to a safe area. "School Caution" signs have been procured from the State Highway Department and permission has been granted by them to post these signs according to a pre-arranged schedule so that traffic approaching the school area will slow down and proceed with caution. A student safety patrol has been an outgrowth of this activity and is assuming responsibility for the safety of the children in the area adjacent to the school.

Transportation

The action taken at the last March meeting relative to transportation has proven adequate and desirable, for both elementary and high school pupils. All routes are being handled efficiently.

"No School" Policy

The Greenfield School Board has established the following policy. Our school will be open every day regardless of the weather. Thus parents will be assured that when they send their children to school there will always be somebody there to receive them. On extremely stormy days, parents are encouraged to use their own judgment and keep their children home if they feel that it is in the best interests of health and safety to do so.

Finance

Every effort is being made to offer our young people an adequate education as economically as possible. An analysis of the budget shows that the larger increases are due to teachers' salaries, transportation, tuitions and teacher retirement. We have no control over the tuitions or teachers' retirement assessments. The tuitions are set by the receiving districts and a charge equal to the State Average may be assessed. The State Average, per pupil cost for 1949–50 was $252.04 for Secondary School pupils. Peterborough's assessment for 1951-52 is set at $250. for High School pupils and $175. for Junior Hith pupils.

The district's contribution to the State Teachers' Retirement System is set by statute. Transportation expenses are determined by the number of pupils to be carried. All other increases are the result of the general increase in the cost of living and are a direct result of our economic condition today. A careful perusal of the School Board's budget will indicate the areas in which savings have been made.

State Aid

Any State Aid that Greenfield may receive is dependent upon the attitude of the present Legislature toward the proposed State Aid Bill. The estimated State Aid of $2,047.19 is based upon the new state aid formula as submitted by the State Department of Education. What will happen to this bill depends upon the degree to which the people of New Hampshire make known their views. Much publicity has been given to this bill, thus it is felt not necessary to go into details in this report.

Conclusion

I wish to take this opportunity to thank the citizens of Greenfield for the excellent support they have given the school, the teachers, and me, in our endeavors to develop an educational program that is both practical and sound. I also wish to thank the School Board for the excellent cooperation they have given me, and their interest in improving the educational offerings of Greenfield.

Respectfully submitted,

Newell J. Paire
